

# Expressive Arts and Design (E.A.D.) CURRICULUM MAPS - Year 2 of 2

## Links between EAD and our topics

Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
Topic	School	Weather/Autumn	Animals	Families	Growing things	Parks & playground/Transport					
Areas	PSD/R.E./Science/Computing	PSD/Science/Computing	PSD/Science/Geography/Computing	PSD/R.E./Geography/Computing/Science	Science/Geography	PSD/Science/Geography/Computing					
Yellow Lower	Experience sticking on collage with full support To make pictures with a variety of materials To attempt to join in with action songs with support and copy actions in role play. Look at themselves in the mirror Make marks on a variety of surfaces. Experience sticking on collage pieces with support.	Make pictures with support With support to join in with action songs and role play. Show an interest in different coloured leaves and weather Make firework picture by rolling a ball in the paint tray and sprinkling glitter. Children to explore natural materials collected on local walk and stick on paper with support.	With support to join in with action songs and role play. Experience sticking on animal collage with full support Begin to recognise some animal names Make animal scene by printing with animal stamps, with support. Explore playing with the wild animal toys.	Begin to recognise photos of family members and themselves. Recognise a favoured object from home Begin to recognise some symbols for mum & dad Make puzzle picture of family member by sticking 2 pieces together. Explore playing with the baby dolls.	Explore soil, gardening tools. Make marks with paint. Experience sticking seeds onto a picture of a flower	Explore different surfaces by touch. Explore the playdough/plasticine.					
Yellow Middle	Experience sticking on collage with partial support Make pictures with a variety of materials Attempt to join in with action songs and copy actions in role play. Look at themselves in the mirror and then make marks on the paper to attempt to draw their face. Make collage by independently sticking on pictures of them provided. Make puzzle pictures of themselves by sticking together 2 pieces.	Make pictures with a variety of materials Join in with action songs Attempt to copy actions in role play. Begin to notice changes in leaf colour & weather Make firework picture by spreading thick glue/paint on paper and then sprinkling glitter. Children to stick natural materials collected on local walk to make a collage.	Join in with action songs Copy actions in role play. Collage animal pictures Begin to recognise some animal names Make animal scene by printing with animal stamps. Play with wild animals, encouraged to make appropriate noises.	Begin to recognise photos of familiar people/family members and themselves. Recognise a favoured object from home Begin to recognise symbols for mum & dad Make puzzle picture of family member by sticking 3 pieces together. Role play with the baby dolls	Role play digging and planting using soil, gardening tools with support. Paint flower picture with support, using given colours. Paint over picture given. Make a flower picture using seeds with support	Tree rubbing with support. Model playground equipment with playdough/plasticine using playdough mats.					
Yellow Upper	Experience sticking on collage Make pictures with a variety of materials/techniques. Join in with action songs Copy actions in role play. Look in the mirror and children attempt to draw features onto a face. Collage pictures of themselves, selecting them from a group. Make puzzle pictures of their face. Make a collage through colour matching	Make pictures with a variety of materials/techniques. Join in with action songs Copy actions in role play. Recognise changes in leaf colour & weather Make firework pictures by blow painting onto paper and sprinkling glitter. Stick natural materials collected on local walk onto pre-drawn outline of a tree.	Join in with action songs Copy actions in role play. Collage animal pictures Begin to recognise some animal names Make animal scene by printing land animals on the grass and flying animals in the sky. Select appropriate colours. Play with toy wild animals, placing animals on correct area of tuff spot mat and encouraged to make appropriate noises.	Recognise photos of familiar people/family members and themselves. Recognise a favoured object from home Recognise some symbols for family members Make puzzle picture of family member by sticking 4 pieces together. Role play with the baby dolls by carrying out a range of actions e.g. feeding, bathing.	Plant seeds Make pictures with a variety of materials/techniques. Join in with action songs Copy actions in role play. Role play digging and planting using soil, gardening tools. Paint flower picture from observation, choosing relevant colours. Make a flower picture using seeds	Make rubbings of a variety of surfaces, e.g. trees/wall. Attempt to select their own surfaces. Model playground equipment with playdough/plasticine using playdough mats.					
Topic	Clothes and Weather	British Wildlife	Buildings	Pets	Fruit and Vegetables	Wild Animals/Zoo					
Areas	Art	Art/DT	DT	DT	DT	Art					
Green Lower	Experiment with different paints and colour mixing. Investigate long looped scissors, through a variety of textured paper. Colour match to construct collages.	Add some features to a hand puppet. Explore natural resources and use leaves for printing.	Use junk materials; playdough and construction materials. Form patterns through rubbings taken from different parts of a building.	<u>Clay modelling</u> Investigate clay tools using soft playdough or clay. <u>Collage</u> To use pet materials - straw and cardboard to form 2D/3D collages.	Investigate clay tools using clay. Form patterns using fruit and vegetables to print with. To use fruit and vegetable peelings to form 3D models with.	Add features to an animal mask. Investigate different materials and make a group patchwork pattern. Paint a simple design on t-shirt e.g. face.					
Green Middle	Experiment with different paints and colour mixing and make patterns. Investigate scissors, through a variety of textured paper and begin to cut along a straight line. Construct collages in groups related to role-play area and topic.	Draw pictures of British Wildlife. Design a hand puppet with support and then create it. Explore natural resources e.g. leaves, sticks, straw, rushes. To use for printing.	Design/copy and form models of different buildings. Use junk materials; playdough and construction materials. Form patterns through rubbings taken from different parts of a building.	<u>Clay Modelling</u> Investigate and explore clay tools. Form own models of a pet. <u>Collage</u> Use pet materials - to form 2D/3D collages. DT Help to create pet habitat.	Begin to use clay tools correctly. Use clay to form own fruit. Begin to identify correct colours to paint clay model. Form patterns using fruit and vegetables to print with. To use fruit and vegetable peelings to form 3D models with.	Create different animal prints and begin to match to correct animal. Copy a design to make an animal mask. Investigate different materials and make a patchwork pattern. Design own pattern and put on t-shirt.					
Green Upper	Experiment with different paints and colour mixing and make patterns. Investigate scissors, through a variety of textured paper and cut out pictures. To construct collages related to role-play area and topic.	Draw pictures of British Wildlife - all living things including trees and plants. Design and create a hand puppet. Construct a habitat - use natural resources.	Design and form models of different buildings. Use junk materials; playdough and construction materials. Form patterns through rubbings taken from different parts of a building.	<u>Clay modelling</u> Use tools correctly. Form own models of a pet. <u>Collage</u> Use pet materials - straw and cardboard to form 2D/3D collages. Plan ideas. DT Design own pet habitat.	Use clay tools correctly. To use clay to form own model - fruit. Recognise and use correct colours to complete models. Form patterns using fruit and vegetables to print with. To use fruit and vegetable peelings to form 3D models with.	Recognise and create different animal prints. Design and make animal masks. Use different materials to create a patchwork pattern. Design own pattern and put on t-shirt.					

Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
Topic	Friends	Animals around the world	Old and New Toys	Teeth and Eating	Music maker	Making things move					
Areas	Art	Art	EAD/Art	Art/DT	Art/DT	DT/Drama/Art					
Red Lower	Paint pictures of a friend in their class with support.	Explore different animals coats and create collages - support with use of tools to create a collage	Distinguish from pictures and handle real toys to sort if they are old or new with symbols Design a toy they would like to play with using pictures of tools they would need to use	Collage a tooth and different types of food from each food group with support.	Create musical instruments with support - assembling components Recognise and match some musical instruments to pictures	Create an object with components which move Label different parts their object is made from with pictures					
Red Middle	Draw a picture of a friend in their class a given a choice of materials to fill it with.	Explore different animals coats and create collages with a given choice of material to choose from	Distinguish from pictures and handle real toys to sort if they are old or new with symbols Design a toy they would like to play with and choose from a given choice of tool they need to create a toy	Collage a tooth and different types of food from each food group given a choice of materials to use.	Create musical instruments with support - given a choice of materials to choose from Recognise and name some musical instruments with symbols	Create an object with components which move Label different parts their object is made from with symbols					
Red Upper	Draw a picture of a friend in their class. They will be encouraged to source their own resources.	Explore different animals coats and create collages independently - children to suggest what tools they need to create their collage	Distinguish from pictures and handle real toys to sort if they are old or new Design a toy they would like to play with and choose the tools they need to create the toy	Collage a tooth and different types of food from each food group being encourage sourcing their own materials to use.	Create musical instruments communicating preferences in their designing and making Recognise and name some musical instruments	Create an object with components which move To name the different parts their object is made from					
Topic	Children around the World	Snow and ice	Vikings	Homes - animals and their habitats	Recycling and changing	Dinosaurs					
Areas	DT/Art	DT/Art	DT/Art	DT/Art	DT/Art	DT/Art					
Blue Lower	Colour pictures of children.-Dress card figures by sticking materials Make clothes for children from different countries. Make faces of children by sticking features to template and colouring. Make a plate of food for a child from a certain country by colouring and sticking food pictures. Make different types of houses using given materials following model. Make a collage about living in the UK - what to we live in, do, wear, eat, etc. Songs from different countries.	Paint with cold colours/glitter for Winter Make artic animal masks Decorate snowflakes Make mobiles Make an 'ice cave' role play area by painting boxes/white sheets etc. Make icicles and snowflakes for snow cave Use instruments Make spiky/frosty sounds Floating music for snow/ spiky music for ice Christmas songs Footprints in the snow Make seed cakes for the birds Make a snow scene with arctic animals Make Christmas cards Make placemats Make calendars Snowy Christmas tree out of shapes/handprints 'robin' footprint Build a stable for Christmas story Make snowmen from modelling clay /playdough etc.	Make a Viking helmet from chosen design. Paint a Viking long ship with card/ cardboard. Colour shields and sail. Make a ship figurehead using clay or plasticine. Etch rune symbol into clay Make pendent. Make Viking jewellery - bracelets/necklaces - colour paper. Make a Viking settlement scene, stick figures and buildings to stick onto background. Draw Viking coin using charcoal (or B&W) line drawing using template. Make Viking hoard collage using different materials. "We Are the Vikings" song	Make habitat boxes for different animals around the world using different textures children to choose from pictures/symbols which tools they need Make a collage picture of animals in their habitats from a given selection of materials. Make different types of habitats using plasticine.	Colour recycling posters on A3 paper. Decorate cardboard boxes Make recycling boxes - label. Make papier Mache "presents" using recycled newspaper. Paint or wrap to look appealing. Paint exterior of cardboard house.. -Make abstract "sculptures" using figures using recycled materials - cardboard, plastic bottles, rolls etc. Stick together and paint Paint features/markings onto animal or human figures using recycled materials.. Make a collage of a dump, draw and colour objects and stick on backing. Role play -Practise sorting junk into correct boxes. Recycle song-	Make dinosaur skeleton pictures - add bones to template. Colour dinosaur. Make dinosaur scenes by placing toys on background and photographing. Make dinosaur soft toys, by sewing and stuffing materials. Make dinosaur pictures, sticking dinosaur pictures onto background. Make fossil pictures using given materials Paint print creating textures. "The Dinosaurs" Song					
Blue Middle	Colour pictures of children add stick on world map. Dress card figures by cutting and sticking materials Make clothes for children from different countries. Make faces of children by sticking features to outline and colouring. Make a plate of food for a child from a certain country by colouring and sticking food pictures. Make different types of houses using modelling clay, plasticine, dowelling and painting. Make a collage about living in the UK - what to we live in, do, wear, eat, etc. Make videos talking about ourselves. Songs from different countries.	Paint with cold colours/glitter for Winter Make artic animal masks Make snowflake mobiles Make an 'ice cave' role play area by painting boxes/white sheets etc. Make icicles and snowflakes for snow cave Use instruments Make spiky/frosty sounds Floating music for snow/ spiky music for ice Christmas songs Footprints in the snow Make seed cakes for the birds Make Christmas cards Make placemats Make calendars Snowy Christmas tree out of shapes/handprints 'robin' footprint Build a stable for Christmas story Make snowmen from modelling clay/playdough etc. Chalk on black paper	Make a Viking helmet from chosen design. Make and paint a Viking long ship with card/ cardboard. Colour shields and sail. Make a ship figurehead using clay or plasticine. Design own Viking rune. Etch rune symbol into clay Make pendent. Make Viking jewellery - bracelets/necklaces - cut and colour paper. Make a Viking settlement scene, by choosing figures and buildings to stick onto background. Design and draw own Viking coin using charcoal (or B&W) line drawing. Make Viking hoard collage by cutting and sticking different materials. "We Are the Vikings" song	Make habitat boxes for different animals around the world using different textures children to choose from symbols tools which they need Make a collage picture of animals in their habitats from a given selection of materials and paper. Make different types of habitats using modelling clay and plasticine.	Design draw and colour recycling posters on A3 paper. Make recycling labels for different materials Decorate cardboard boxes Make recycling boxes - label. Make papier Mache "presents" using recycled newspaper. Cover objects and later cut out. Paint or wrap to look appealing. Make a "house" using cardboard boxes, make windows, a door and paint exterior. Make abstract "sculptures" using figures using recycled materials - cardboard, plastic bottles, rolls etc. Stick together and paint Make animal or human figures using recycled materials. Paint on features or markings. Make a collage of a dump, draw and colour objects and stick on backing. Role play -Practise sorting junk into correct boxes. Recycle song	Make dinosaur skeleton pictures - add bones to outline. Design, draw, colour and name own dinosaur. Make dinosaur scenes by placing toys on background and photographing. Make dinosaur soft toys, by cutting, sewing, stuffing and adding eyes. -Design and make own 3D dinosaurs, using plasticine or modelling clay. Make dinosaur pictures, choosing and sticking dinosaur pictures onto background. Make fossil pictures using different materials Paint print creating textures. Make dinosaur model kits. "The Dinosaurs" Song					
Blue Upper	Colour pictures of children add stick on world map. Dress card figures by cutting and sticking materials Make clothes for children from different countries. Make faces of children by sticking features to outline and colouring. Make a plate of food for a child from a certain country by colouring and sticking food pictures. Make different types of houses using modelling clay, plasticine, dowelling and painting. Make a collage about living in the UK - what to we live in, do, wear, eat, etc. Make videos talking about ourselves. Songs from different countries.	Paint with cold colours/glitter for Winter and compare with warmer colours of Autumn Make artic animal masks Cut out and make snowflake mobiles Make an 'ice cave' role play area by painting boxes/white sheets etc. Make icicles and snowflakes for snow cave Use instruments Make spiky/frosty sounds Floating music for snow/ spiky music for ice Christmas songs Footprints in the snow Make seed cakes for the birds Make a snow scene with arctic animals Make Christmas cards Make placemats Make calendars Snowy Christmas tree out of shapes/handprints Robin' footprint Build a stable for Christmas story Make snowmen from modelling clay/playdough etc.	Make a Viking helmet from chosen design. Make and paint a Viking long ship with card/ cardboard. Colour shields and sail. Make a ship figurehead using clay or plasticine. Etch rune symbol into clay Make pendent. Make Viking jewellery - bracelets/necklaces - cut and colour paper. Make a Viking settlement scene, by choosing figures and buildings to stick onto background. Design and draw own Viking coin using charcoal (or B&W) line drawing. Make Viking hoard collage by cutting and sticking different materials. "We Are the Vikings" song	Make habitat boxes for different animals around the world using different textures children to choose tools needed independently Make a collage picture of animals in their habitats from a selection of materials and paper. Make different types of habitats using modelling clay, plasticine, dowelling and painting.	Design draw and colour recycling posters on A3 paper. Make recycling labels for different materials Decorate cardboard boxes Make recycling boxes - label. Make papier Mache "presents" using recycled newspaper. Cover objects and later cut out. Paint or wrap to look appealing. Make a "house" using cardboard boxes, make windows, a door and paint exterior. Make abstract "sculptures" using figures using recycled materials - cardboard, plastic bottles, rolls etc. Stick together and paint Make animal or human figures using recycled materials. Paint on features or markings. Make a collage of a dump, draw and colour objects and stick on backing. Role play -Practise sorting junk into correct boxes. Recycle song	Make dinosaur skeleton pictures - add bones to outline. Design, draw, colour and name own dinosaur. Make dinosaur scenes by placing toys on background and photographing. Make dinosaur soft toys, by cutting, sewing, stuffing and adding eyes. -Design and make own 3D dinosaurs, using plasticine or modelling clay. Make dinosaur pictures, choosing and sticking dinosaur pictures onto background. Make fossil pictures using different materials Paint print creating textures. Make dinosaur model kits. "The Dinosaurs" Song.					

Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2		
Topic	Superheroes	Seasons	Circus	Life Cycles	Under the Sea	Out & About						
Areas	Art/Computing/History		Art/Geography/History		Art/History		Art/Geography/History		Art/Geography		Art/Geography/History	
Orange Lower	Copy a picture of a Superhero. Create their own picture/drawing of a superhero and buildings for small world with minimal support.	Create a scene of different seasons with minimal support.	Create a scene of a circus with minimal support.	Create a scene of a life cycle with minimal support.	Create a scene of under the sea with minimal support.	Create a scene of summertime with minimal support.						
Orange Middle	Copy a picture of a Superhero. Create their own picture/drawing of a superhero and buildings for small world independently.	Create a scene of different seasons independently.	Create a scene of a circus independently.	Create a scene of a life cycle independently.	Create a scene of under the sea independently.	Create a scene of summertime independently.						
Orange Upper	Copy a picture of a Superhero. Create their own picture/drawing of a superhero and buildings for small world and describe it, independently.	Create a scene of different seasons and to describe it, independently.	Create a scene of a circus and describe it, independently.	Create a scene of a life cycle and describe it, independently.	Create a scene of under the sea and describe it, independently.	Create a scene of summertime and describe it, independently.						
Topic	Different Destinations	World Festivals	Children in Time	Artistic London	Pharaohs, Sphinx and Pyramids	Moving on						
Areas	CD		DT		DT/ART		DT/ART		DT		PSED	
Purple Lower	Look at pictures of animal print and animal collage Use materials and paper Create African animal collage art. Abstract art in response to African music African Masks Songs/rhymes from around the world. Role play of leaving for a holiday - travel agents/ airport staff/ plane stewards. African and Caribbean dance movements - groups & individual work Performance of 'Carnival' Freshwater Theatre Company workshop	Make diff cards & invitations: birthdays/ Diwali/ Christmas Select symbols for a special Menu from a limited choice. End of WW2 street party using YouTube clips. Christmas/Diwali ----songs related to Festivals. To dress up and to take photographs of pupils of wedding celebration linked to ORT story. Use of Photo Editor to age pictures supported activity. Act out story of Diwali/ Christmas. Role play Indian dance & movement/ WW2 dance - waltz & jive.	Portraits of children in class. Make silhouettes with torches. Make Victorian Jewellery using beads and threading and clay. Print floral designs based on William Morris' work. Learn a Victorian dance. Listen to Victorian music and modern music. To respond through movements. Use of Photo Editor and iPads. To dress up in Victorian clothes and to match letters to their classmates' pictures. Gunnersbury Museum visit for Victorian street child/ toy work shops English country dancing.	3D models of buildings using cardboard boxes. Make a city skyline using cut-out shapes. Simple rap about Castlebar School using 'Purple Mash' from a given selection of words. Make a picture of Tower of London using pastels and different techniques e.g. blending, smudging, layering. Sing & perform in groups. Search engine for finding pictures of Tower of London. Match the letters to the name of Tower of London. Acting out of stories for RE and Literacy.	Look at ancient Egyptian sandals then Make them using cardboard and strings. To do footprints outside using paint. To continue a given pattern on a plate. Listen & respond to Middle Eastern music ----hand clapping, use of shakers & simple stringed instruments. Change of speed etc. Use of Interactive programme on iPad. Make a pyramid scene on paper and to do role play by pretending to build a pyramid. Dressing up and role play of Egyptian pharaohs - people. Egyptian dances - sand dance -groups & individual work.	To practise Monet's technique used in 'Water lilies': create own work in same style- with paint. Still life of fruits using view finder. Getting ready for end of term production and prepare dance for Leavers' assembly. Photographs of pupils for Leaver's Book-groups & individuals. Under direction of children - arrangement/ editing photographs Create own happy and sad clowns' face and assemble other body parts using paper/card.						
Purple Middle	Block printing with tiles/ potatoes: flowers/palm trees Look at pictures of animal print and animal collage Use materials and paper Create African animal collage art. Rainbow fish pictures using paint and pastel. African Masks Songs/rhymes from around the world. Role play of leaving for a holiday - travel agents/ airport staff/ plane stewards. African and Caribbean dance movements - groups & individual work Performance of 'Carnival' Freshwater Theatre Company workshop	Make diff cards & invitations: birthdays/ Diwali/ Christmas Design a Menu for a special occasion supported by symbols: end of WW2 street party using YouTube clips. Christmas/Diwali ----songs related to Festivals. Photographs of pupils of wedding celebration linked to ORT story. Use of Photo Editor to age pictures. Act out story of Diwali/ Christmas Role play Indian dance & movement/ WW2 dance - waltz & jive.	Portraits of Queen Victoria and children in class. Silhouettes. Design & make Victorian Jewellery. Look at work of William Morris-design prints, make handbags. Learn a Victorian dance. Listen to Victorian music and compare to modern music. To respond through movements. Use of Photo Editor and iPads. Describe & type description of picture of Victorian children. Gunnersbury Museum visit for Victorian street child/ toy work shops English country dancing.	3D models of buildings using cardboard boxes Sewing & sticking using binka. Make houses. Make a city skyline using cut-out shapes. Simple rap about Castlebar School using 'Purple Mash'. To choose 3 sights: Shard, House of Parliament, Tower of London Make a picture using pastels and different techniques e.g. blending, smudging, layering. Sing & perform in groups. Search engine for cutting & pasting pictures of famous buildings. Give label to each photo. Acting out of stories for RE and Literacy.	Look at ancient Egyptian sandals then Make them using cardboard and strings. Design a pattern for a cup and plate - using different media Create patterns on clay. Listen & respond to Middle Eastern music -hand clapping, use of shakers & simple stringed instruments. Change of speed etc. Use of Interactive programme on iPad. Acting out Egyptians myths e.g. Osiris Dressing up and role play of Egyptian pharaohs - people Egyptian dances- sand dance -groups & individual work.	Looking at 'Water lilies' of Monet: create own art work in same style- with pastels/ paint. Still life of flowers, fruits, trees using view finder. Getting ready for end of term production and prepare dance for Leavers' assembly. Photographs of pupils for Leaver's Book- groups & individuals. Under direction of children - arrangement/ editing photographs Create 'mood-scape' using paper and paint responds to their emotions and feelings.						
Purple Upper	Block printing with tiles/ potatoes: flowers/palm trees Tie die - sarong Look at pictures of African art: colours/patterns/materials African Masks Songs/rhymes from around the world. Rainbow fish sewing 3D in felt material. Cut & paste from Google images. Role play of leaving for a holiday - travel agents/ airport staff/ plane stewards African and Caribbean dance movements - groups & individual work Performance of 'Carnival' Freshwater Theatre Company workshop	Make diff cards & invitations: birthdays/ Diwali/ Christmas / Jewish Hanukah Design a Menu for a special occasion: end of WW2 street party Christmas/Diwali ----songs related to Festivals. Photographs of pupils of wedding celebration linked to ORT story, end of war celebrations Use of Photo Editor to age pictures. Act out story of Divali/ Christmas/ Role play end of war street party Indian dance & movement/ WW2 dance - waltz & jive for street party	Portraits of famous Tudor Queens/children in class. Silhouettes. Design & make Victorian Jewellery. Look at work of William Morris-design prints, make handbags. Learn a Tudor dance. Listen to Tudor and Victorians music and compare. To respond through movements. Use of Photo Editor and iPads. Describe & type description of picture of Victorian and Tudor children. Gunnersbury Museum visit for Victorian street child/ toy work shops English country dancing.	3D models of buildings using cardboard boxes Sewing & sticking using binka Make houses. Looking at perspective & making a city skyline Simple rap about London & Castlebar School using 'Purple Mash'. Create a picture of London using pastels and different techniques e.g. blending, smudging, and layering. Sing & perform in groups. Search engine for cutting & pasting pictures of famous buildings Give captions to each photo. Acting out of stories for RE and Literacy	Research ancient Egyptian sandals then to design and make them using cardboard and strings. Design a pattern for a cup and plate - using different media Create patterns on clay/handmade paper. Listen & respond to Middle Eastern music ----hand clapping, use of shakers & and simple stringed instruments. Change of speed etc. Use of Interactive programme: Ancient Egyptians to consolidate children's knowledge. Acting out Egyptians myths e.g. Osiris Dressing up and role play of Egyptian pharaohs - people Egyptian dances- sand dance -groups & individual work.	Looking at work of Monet: create own art work in same style- with pastels/ paint Still life/ using view finder Getting ready for end of term production and prepare dance for Leavers' assembly. Photographs of pupils for Leaver's Book- groups & individuals Under direction of children - arrangement/ editing photographs Create 'mood-scape' using range of media responds to their emotions and feelings.
